

To strengthen our team at the Glanegg/Carinthia location, we are looking for a dedicated

Work preparation / production planning (m/f/d)

Your tasks:

- Creation of parts lists and part numbers as well as ongoing master data maintenance in the ERP system
- Tendering, planning and control of production orders (daily coordination with production management)
- Deadline tracking of the required materials
- Internal handling and deadline monitoring of projects
- Close cooperation with internal departments

Your profile:

- Completed technical training (ideally HTL)
- First relevant professional experience in a comparable position
- High technical understanding
- Very good knowledge of English
- Strong communication with high motivation

Your perspectives:

- An innovative and highly interesting area of responsibility in a promising industry with long-term employment
- Targeted training opportunities
- Independent and self-reliant work in a team
- Supportive and motivated team
- Innovative culture of ideas
- Development and promotion opportunities in one of the most innovative and dynamic companies in the industry

The remuneration of the position is based on an annual minimum salary EUR 39,000. Depending on qualifications and experience, a market-compliant overpayment is offered.
